Air Cavalry Flushes Large Enemy Force

SAIGON (AP)—The U.S. 1st Air Cavalry Division flushed the first sizable enemy force in three weeks today, reporting it killed 100 Viet Cong with possibly 300 to 400 more trapped in a valley. The fighting broke out 11 miles north of Bong Son, 280 miles northeast of Saigon near the scene of heavy fighting earlier this year. A division spokesman said two rings of troops were deployed on high ground around the valley, with the enemy digging in, apparently for a fight to the finish. By late tonight, the division reported it had captured 30 Viet Cong and seized 268 weapons.

In the air war, high-flying B-52 bombers plastered a Viet Cong stronghold near the Cambodian border for the fifth day in a row. The American Stratoforters dropped their 750-pound bombs on a suspected Communist arms factory and training area 75 miles northwest of Saigon. Over North Viet Nam, U.S. Air Force and Navy fighters-bombers renewed their attacks in force after a two-day lull during which their flights were almost washed out by monsoon rains.

In the renewed aerial assault in the north, a U.S. spokesman reported that an F-105 Thunderchief was shot down by enemy ground fire 85 miles northeast of Hanoi. The plane crashed and was seen on the ground but a rescue attempt was thwarted by heavy antiaircraft fire. It was the 220th U.S. plane reported lost over North Viet Nam.

Air Force F-4C Phantom II ditched off the coast of South Viet Nam near the Cam Ranh Bay air base, 170 miles northeast of Saigon, after it ran out of fuel Wednesday. Both crewmen ejected and were rescued. All 21 U.S. servicemen aboard a U.S. Army CH-53 Chinook helicopter were killed when the helicopter caught fire and crashed Wednesday night in heavy jungle 110 miles northeast of Saigon.

Idaho Senator Meets With De Gaulle
(See Picture on Page 14)
PARIS (AP)—Sen. Frank Church, D-Idaho, spent 58 minutes with Charles de Gaulle Wednesday and said the French president was "most obliging in responding to all the questions I had to raise."

Church, a member of the Senate Foreign Relations Committee, conferred with De Gaulle in preparation for hearings on U.S.-European relations. He was sent on the two-week fact-finding trip through Europe by Committee Chairman Sen. J. William Fulbright, D-Ark.

Church told newsmen that De Gaulle fully explained French policy and positions in a conversation which covered "all important and outstanding problems which affect Europe and the United States."

Asked if the Viet Nam problem was brought up, Church said, "Not in a significant way."

Guerrillas Active Near Salisbury
DAR ES SALAAM, Tanzania (AP)—A Rhodesian African nationalist spokesman claims that guerrillas are active in the area about 85 miles northwest of Salisbury. He says they killed five policemen Tuesday.

The spokesman for the Zimbabwe African National Union said guerrillas had been active in the area about 85 miles northwest of Salisbury. He says they killed five policemen Tuesday.

Deserters of War Are Many
SAIGON, South Viet Nam (AP)—A lot of soldiers on both sides are deserting in Viet Nam. Most deserters from the Communist Viet Cong are running more than 2,000 a month, American officials report.

Agencies in the official press are reporting that the South Vietnamese regular army run currently at 6,600 a month, with additional desertions from the regional and the popular forces. These figures must be considered in proportion: The government military strength is about 85,000 men, including 10,000 in the regular army units. The Viet Cong guerrillas, plus North Vietnamese

will be attending special summer school classes throughout the nation, while the remainder will be instructing classes at the college. The college expects to hire about 10 new instructors for next year. (Times-News photo)

CSI Expects Little Change in Faculty

Next fall will see very little change in the faculty of the College of Southern Idaho as most of the present instructors will be returning and only about 10 new teachers will be hired, according to college officials. Dr. Donald Keith, dean of the college, reports that two new teachers have been hired for the academic branch of the college and three others are being negotiated with at the present time. He added that possibly other teachers will be hired, depending on the enrollment next fall.

Wayne Rodgers, director of the vocational school reports that while it is actually too early to anticipate what the need will be in the fall, he expects to hire three new instructors and a guidance counselor. Several of the present instructors will be attending special summer school courses in preparation for their teaching assignments next fall.

Among those attending summer school will be Rodgers. He will attend classes at Colorado State University, Fort Collins, Colo., with an emphasis on administration of vocational education.

Marvin B. Stroppe, associate professor of physics and mathematics, will also attend Colorado State University. Stroppe will participate in a National Science Foundation conference on aerospace and space physics during August.

Music instructor for CSI, Clinton E. Weber, will attend summer sessions at either the University of Idaho or at a college in Washington. While he is undecided about which school he will be attending, he is certain that the knowledge he gains will be advantageous to the students at CSI.

Mr. Marshall (Ruthann) LeBaron, CSI instructor of biology, will be a part of a biological expedition to Puerto Rico during the summer. The expedition is being sponsored by the National Science Foundation and will last for a month.

Others in the academic branch planning on furthering their education are Glen Norris, dean of men, who will attend Idaho State University for guidance training, and Hubert W. Kelsch, associate professor of history, who plans to further his education in the German language.

Judith Aldape, instructor of communications in the vocational branch, will further her education at Idaho State University where she will be working on her master's degree.

In recognition of the fine college facilities available here in Magic Valley, Gerald Hobson, an instructor at the vocational branch, will be attending summer school at CSI.

A large majority of the instructors who are not attending summer school will be teaching during the CSI summer sessions.

In this list are Kenneth Anderson, re-hired police detective, Tim Qualls and Bill Vickers Wednesday after they resigned earlier last month after a dispute involving the entire police force, Chief Frank Barnett said.

Barnett said he re-hired both men because, "That is the way I figured it should be and I did it." He said he provided them with the opportunity to come back to work if they wanted to.

The two detectives quit last month after complaints, on the part of many of the younger patrolmen on the force, reached City Manager H. L. (Herb) Derrick.

PLANT PLANNED
WASHINGTON (AP)—The final formal step has been taken toward start of construction on a \$23.8-million hydroelectric plant on a tributary of the Melong River in Laos.

These totaled 2,338 in March, the highest so far, and American officials say a quarter of them were officers. Viet Cong defections, less than 1,000 a month last year, rose to 1,872 in January and 2,011 in February. American authorities believe one reason for the climb is the weakening of the Viet Cong's military position.

A major factor also is the "chicken-hell" or open-arm program undertaken two years ago by the Saigon government under American sponsorship. The program largely lured and trapped Viet Cong defectors.

Appropriation Bill of \$10.55 Billion Passed by House With Extra Funds

WASHINGTON (AP)—The House passed today a \$10.55 billion appropriation bill including \$489 million in unrequested funds and received another aimed at killing the President's rent-subsidy program. The bill sent to the Senate provides financing for the Labor Department and the Department of Welfare for the fiscal year starting July 1. It was approved informally by voice vote Wednesday. Most of the increase in funds not requested by the President was for health and education programs. Before passing the bill today, the House rejected by a 249-191-vote an amendment by Rep. Frank T. Bow, R-Ohio, for a 5 per cent cut across the board.

The new measure scheduled for House action next week contains allotments of \$14.3 billion for more than a score of federal agencies. It would provide \$205.8 million less than the President wanted, some of the reductions affecting the rent-subsidy program and the Mohole project to dig deep into the earth's surface below the ocean for scientific data.

Bow, senior Republican member on the appropriations committee which recommended the budget, said the bill would cut back federal money for payments to school districts in areas where many federal civilian and military families live.

The bill would provide \$162.3 million for these payments, \$122.8 million more than the President requested.

Bow announced to change the payment formula and reduce payments lost by voice vote.

The house also beat back a similar amendment offered by Rep. Melvin R. Laird, R-Wis., that would have made a direct cut of \$232.8 million in the appropriation. That would have reduced the total of \$132.10 to \$25 million, many Republicans opposing it.

After those two defeats, Republican budget trimmers threw in the sponge and Republican leader Gerald R. Ford tossed an unaccepted challenge to Democrats to offer at least one amendment "to support the President."

Idaho Mayors Told of Low Air Traffic
WASHINGTON (AP)—The Civil Aeronautics Board notified today mayors of 81 cities receiving local airline service that their airports would be given a minimum traffic volume normally required for scheduled service.

Four of the airports were in Idaho: One Utah airport which failed to generate the minimum traffic volume in 1964 met CAB standards in 1965.

All four Idaho airports are served by West Coast Airlines. They are Ontario, Ore.-Payette, Idaho-Burley-Rupert; Coeur d'Alene and Sun Valley-Hailey-Ketchikan. All were on a similar list to generate minimum traffic, formal proceedings to determine if the city should be discontinued from an airline's service can start immediately.

Inventory Tax Discussed at Meet in T.F.
A hearing on the state inventory tax was held Wednesday in conjunction with the Business-Tax Committee of the Legislature. The hearing was held at the Regency Hotel Colonial Room.

Conducting the hearing, in which four persons testified, was the revenue and taxation committee, headed by Rep. Max Rogers, R-Gem.

Testifying were Jerry Shans, chairman of the Downtown Merchants Association; Armour Anderson, Twin Falls business man; Joseph Hall, Boise, state manager of the Idaho Dairyman's Association; and Claude Bowman, Minidoka County assessor.

Shane testified that the Twin Falls businessmen are opposed to the present inventory tax. He said that he had most of the local businessmen feel that the inventory tax is a burden and is difficult to work with and that the tax is an unfair tax.

He added that the general feeling towards the tax is that something must be done in the near future. When asked if a 12-month average inventory tax would help the situation, Shane said it would.

Anderson, co-owner of Gem State Paper Co., wholesaler of paper products, said the inventory tax is a burden to the independent wholesaler in Idaho.

Anderson said his firm and another in Lewiston are the only two independent paper products wholesalers in Idaho and have to sell out-of-state prices with out-of-state taxes.

He said this is where the inventory tax becomes a problem with his firm. He said his stock is taxed while his out-of-state firm is not.

He said his industry hopes the livestock tax can be removed. The most of the tax now stands in Idaho are looking for tax relief and many feel that personal property tax removal is the answer.

Also testifying Wednesday was Bowman, Minidoka County assessor. Bowman said the inventory tax should not be eliminated completely. He added that an average inventory tax is needed.

U.S., NATO Allies May Have to Alter European Flight Routes

PARIS (AP)—The United States and its North Atlantic Treaty Organization allies are facing the possibility of having to revise military flight routes across Europe drastically as the result of a new French move. Informed sources in Paris reported Wednesday the French government told the other members of the Atlantic alliance that beginning June 1 it will review every month its permission for Allied military planes to fly over France or land there. In the past such permission has been granted on a yearly basis, and almost automatically.

The new French action is another step in President Charles de Gaulle's program to remove France from NATO's military activities.

The sources said there was no indication that the French planned to ban NATO flights and landings. But if they did France with neutral Switzerland and Austria—over which military flights are not permitted—would form an East-West barrier from the Atlantic to the Iron Curtain.

This would sever direct air connection of NATO forces in Italy, Greece and Turkey from those in West Germany, Denmark, Norway, Britain and the Low Countries.

Allied officials say the question of overflights is a key point in negotiations over France's withdrawal from the NATO-integrated military command and its demand that all NATO forces get out of France by next April 1.

21 Candidates Have Filed For Offices
Three more candidates filed for petitions Thursday morning in the Twin Falls County clerk's office. A total of 22 candidates have filed so far.

Petitions for county commissioner, legislative district chairman and precinct committee man were filed.

William L. (Bill) Chancey, 1280 6th Ave., a Republican, filed for district No. 1 county commissioner.

Eugene Sturgill, 567 Polk St., filed petition for legislative district No. 23 chairman, and J. Robert Alexander, 241 Richardson Drive, filed for committee man in precinct 21. Both are Republicans.

Filing Wednesday afternoon were Richard G. High, a Republican, for state senator in district 23, and J. D. Clifton, also a Republican, filing for state representative in the same legislative district.

Mrs. Anne H. Harper, Republican, filed for county treasurer. Dudley C. Dane, a Democrat, filed for committeeman in precinct 31 Wednesday afternoon.

Harold Lancaster, Twin Falls County clerk, reminds prospective candidates that the deadline for filing is 5 p.m. Saturday.

Urban Renewal Director Plans To Attend Meet
Twin Falls Urban Renewal Director James Kelch will take part in a one-day workshop sponsored by the National Association of Housing and Redevelopment Officials Friday.

Kelch will draw city planners from throughout the Northwest to discuss new developments in urban renewal and housing.

Larry Harper, Archie Miller and Ernest Oyar of the Twin Falls Housing Authority will accompany Kelch.

Petitions for Sen. Brooks Expected to Be Filed Today
HAILEY — Nominating petitions for Sen. Brooks are expected to be filed Thursday or today. Brooks is a Republican and is running for re-election in District No. 21, which includes Blaine, Murdock and Lincoln.

Mrs. Brooks is also vice chairman of the Republican National Committee with offices in Washington, D.C. She is in the midst of a campaign to organize Republicans across the state.

She is also a member of the party's business to health bar.

Sen. Murphy To Run for Lt. Governor

SHOSHONE — State Sen. Jack Murphy announced Thursday he will seek the Republican nomination for lieutenant governor with the intention of making it a "working office."

Murphy, 40, a president pro tempore of the Senate in 1963 and 1965-66, and majority leader in 1961, has served 12 years in the upper legislative chamber since 1953.

A native of Shoshone, he holds two degrees from the University of Utah, a bachelor of science in economics and finance and a bachelor of laws. He has practiced law in Shoshone since 1951 and also operates a cattle ranch in Lincoln and Blaine counties.

In announcing his candidacy for the state's second highest office, Murphy said he believes the lieutenant governor — as presiding officer of the Senate — "This is particularly true in view of the fact that reappointment has brought about unusual turnover of experienced senators," Murphy said. "This is probably more true today than at any other time in Idaho's history."

"Having presided over the Senate as its president pro tempore, I feel that I have the necessary experience to be of substantial aid and help," he added.

Warehouse, Plant Burn At Pocatello

POCATELLO (AP)—Boise Cascade Co.'s prefabrication plant and a warehouse owned by Pocatello Equipment Co. were destroyed in a fire which broke out Wednesday night.

Fire officials said the blaze apparently started about 11:30 p.m. with an explosion, which scattered flaming debris for half a mile. The fire knocked out power to the airport for an hour.

A newsmen at the scene counted 15 fire trucks from Bannock and Power counties and the city of Pocatello.

Fire officials said two large wooden hangars were up in flames. One housed Boise Cascade's plant, the other housed stored goods from Pocatello Equipment Co.

Only one of several prefabricated homes was saved, officials said.

They said the fire was under control by 12:45 a.m.

Deans of CSI Will Discuss Financial Aid

TWO College of Southern Idaho officials will attend a one-day conference in Boise to discuss financial aid for the college's student body.

Dr. Ronald Keith, academic dean, and Glenn Norris, dean of men and director of the CSI health center, will attend Friday in Boise with Dr. Maria Ogle, Denver, regional representative of the Department of Health, Education and Welfare.

They will consider new federal aid programs which will become effective next fall, and current federal aid programs. The college currently is participating in a widespread study program, and is a number of financial aid programs. More than 300 students have received assistance this year. The college has received \$100,000 in federal aid this year. It is expected to receive \$125,000 during the next academic year.

Wheat Acres Is Increased

WASHINGTON (AP) — President Johnson instructed Secretary of Agriculture Orville Freeman today to increase by 15 percent the wheat acreage allotment for harvest in 1967.

The increase adds 7.7 million acres to the national allotment and increases it from 51.8 million acres this year to 59.5 million acres next year.

The 1967 acreage allotment will be the largest in six years. The increase is made possible by the White House said by a strong demand for wheat exports and the cooperation of wheat farmers in voluntarily acreage limitation programs.

This has resulted in a sharp reduction in stocks of wheat.

For the first time in 13 years, the June-80 carryover was under 600 million bushels. This is about "year's supply" for domestic food consumption and for feed.

Agriculture experts said that based on present prices the increased acreage would add \$100 million to the income of wheat farmers.

SYNOPSIS AND AGRICULTURAL SUMMARY

Unseasonably warm weather continues over the valleys of southern Idaho as temperatures yesterday were again in the 80s and 90s. A slight cooling is expected for the next two or three days but temperatures will continue above normal. Cooler air aloft off the West Coast will bring some lowering in daytime temperatures. Also moisture moving up from the south along the coast will bring some increase in clouds at times which will also help to bring some cooling.

Forecasted thunderstorms are forecast to move into the Pacific Northwest today, as the moisture from the south moves farther north. Scattered thunderstorms are possible this afternoon in the western Idaho valleys. These thunderstorms are expected to move on into the eastern Idaho valleys on Friday, causing cloudy skies at times, but with rainfall spotted and quite light. Otherwise partly cloudy skies will be the rule the next two or three days.

Forecasted cooling is expected in western valleys today but elsewhere little change is forecast. Temperatures will reach into the 80s and lower 90s. Further cooling on Friday across these valleys will lower daytime temperatures into the mid-70s and mid-80s. Little change is forecast in nighttime readings tonight with minimums in the 40s and 50s.

Mrs. Watson, 88, Dies of Long Illness

Mrs. Emma Elizabeth Watson, 88, 458 Sixth Ave. E., died at her home today after a long illness. She was born July 22, 1877, in Washington County, Kan., and came to Twin Falls in 1938 from Morrowville, Kan. She was married to Claude D. Watson on April 20, 1921, at Morrowville. She died March 3, 1966.

She was member of the First Christian Church, Twin Falls. Surviving are one daughter, Mrs. Arde Rose, Twin Falls; two sons, Dean Watson, White Hall, Mont., and Von J. Watson, Redding, Calif.; four grandchildren, one great-grandchild.

She was preceded in death by her daughter and 11 brothers and sisters.

Funeral services are planned at 2 p.m. Saturday at Reynolds Funeral Chapel with Rev. Donald L. Hoffman officiating. Final rites are set in Sunset Memorial Park Cemetery. Memorials may be made to the Northwest Christian College scholarship fund of the First Christian Church and may be left at the chapel.

Police Stop Rioting at Utah Beach

SALT LAKE CITY (AP) — Some 57 sheriff's deputies and other law enforcement officers dispersed 400 to 600 teenagers from Black Rock Beach on the Great Salt Lake Wednesday after a rioting, of riot proportions, erupted.

No arrests were made at the abandoned resort. Officers said they confiscated beer, other alcoholic beverages and found several buried boxes of glue.

Officers took the names of 30 juveniles, but Sgt. Darrell B. Brady of the Salt Lake County sheriff's office, said it was unlikely charges would be filed.

Brady said deputies spotted the area as a potential trouble spot about a week ago and have been making frequent checks ever since.

"Temperatures suddenly flared," Sgt. Brady said, "and we moved in before real trouble broke out" Wednesday.

representative in legislative district No. 33.

"Your right to vote is your most precious right as an American way of life," Cook declares. "Those who don't exercise that franchise all the time place it in jeopardy at some time in the future."

Cook added it was doubly important for all qualified voters to go to the polls next Tuesday.

"We are asking for your active participation in the election," Cook declared. "Two votes for the bond issue will be needed to cancel each vote against it." Cook reminded citizens.

"Besides the necessity of voting, we are asking for your help in building a college that will bring exceptional benefits far beyond this town," he added.

3 Demos File in Lincoln County

SHOSHONE — Three filings have been made on the Democratic ticket for Lincoln County offices.

They are Prosecutor Howard E. Adkins, Assessor Ray E. Over and Auditor Clark Mrs. Luella L. Kinsey, all incumbents.

The filings were made Tuesday after the Democratic primary election. The Democratic primary election will be held at the Shoshone County Courthouse during the day after the Democratic primary election.

North Idaho Gets Pollution Grant

WASHINGTON (AP) — A federal grant of \$24,000 for a water pollution project was reported Wednesday.

The offices of Sen. Frank Church and Rep. Compton J. White, Idaho Democrats, said the funds will go to the Village of Lakeview, Idaho.

Total cost of the project, including construction of an interceptor and sewage lagoons, is estimated at \$45,000.

Twin Falls News in Brief

The Frontier Reading Club will have a spring breakfast at Devlin's Corral May 15, according to Mrs. Harry Brumback. She said members and guests are to meet at the corral for breakfast between 9:30 and 11 a.m. There will be a ride after the breakfast. Persons desiring further information are to call Mrs. Jean Jensen, at 733-1287.

Young people of the First Christian Church will hold a "year-around" between 9:30 and 11 a.m. Proceeds will be used to help the youths attend camp. The public is invited.

Reed Williams, son of Mr. and Mrs. J. P. Williams, Twin Falls, has been accepted at Treasure Valley Community College for the fall term. He will major in drafting.

McNamara Faces Issue On War Gear

WASHINGTON (AP) — Secretary of Defense Robert S. McNamara faces a brush-fire in Capitol Hill over the disposal of surplus military gear.

And Senate investigators added fuel with a charge that the Pentagon is discarding used but current models of military equipment, some of it virtually identical to newly ordered items.

The next formal session of the Senate subcommittee on foreign aid expenditures holds a public hearing on Air Force surplus equipment practices.

Sen. Ernest Gruening, D-Alaska, the chairman, has accused the Defense Department of giving away for foreign aid used but repairable heavy equipment.

"He adds the cranes, bulldozers and tractors are desperately needed by American forces in South Viet Nam."

The Pentagon countered with an assertion that Gruening "apparently wants the American soldiers in Viet Nam to fight with junk."

Gruening's rebuttal: "Ridiculous."

Volco Notes Transfer of 2 Employees

Transfer of two area employees of Volco Builders Supply was announced Thursday by Vic Camozzi, general manager of the firm.

David Barry, assistant manager of the firm's Twin Falls office for the past 10 years, has been transferred to the position of director-manager of the Burley store.

Fred Clubb will take over the duties of assistant manager in Twin Falls. Clubb has been associated with the Jerome Volco Builders Supply for the last 13 years.

In making the announcement, Camozzi said, "We feel that the transfer will be a definite asset to our proposed expanded facilities in Twin Falls and to the community."

Camozzi went on to say, "We feel that Mr. Barry will be a definite credit and asset to the Burley store and Volco Builders Supply in Burley."

The transfers become effective this week.

Resolutions Approved by Legion Post

Two resolutions were approved during the Tuesday evening meeting of American Legion Post No. 7.

The first resolution gives the post's support to the College of Southern Idaho and urges all citizens to vote in favor of the college bond issue next Tuesday.

A resolution asking Congress to authorize the Joint Chiefs of Staff to mount a powerful strategic air campaign in Viet Nam also was approved.

Plans for Memorial Day services also were discussed during the meeting.

Frank Mogensen, post commander, read the names of the boys who will attend Boys' State and their sponsors.

American Legion baseball also was discussed.

Rural Carriers Receive Awards

WENDELL — Safe driving awards were presented to Melvin Weisberg and J. Glen Anderson, the two rural carriers of the Wendell Postoffice, by Arnold Runyon, Wendell Postmaster.

Weisberg received his award for his 17th year and Anderson for his seventh year of driving without accident.

"To qualify for this award a driver must not have been involved in any accident in which he contributed, even in the slightest degree, or failed to take the proper defensive action to avoid or prevent the accident," said Postmaster Runyon.

BLM Official Assumes Post At Shoshone

SHOSHONE — David P. Lodzinski began work this week at the local office of Bureau of Land Management, filling the position vacated by Warren W. Pearson, who was transferred to the Colorado State Office at Denver.
Lodzinski was transferred from the Boise district where he served as manager of the Eastern resource area for the past six years. Prior to that he served in the district conservationist at Salmon for five years.
He is a native of Stevens Point, Wis., where he was graduated from the P. J. Jacobs High School. He attended the Wisconsin State College for two years. His college education was interrupted by the Korean conflict and he served three years in Korea with the 25th Infantry Division.
Lodzinski returned to Utah State University at Logan, and was graduated in 1955 with a B.S. degree in range management.
During the summer he worked for the Forest Service in the California blaine rust control program, and as a smoke jumper at Missoula, Mont., also on range research in Arizona and New Mexico.
He has been active in the Elks organization in Boise and with the Boyer Ski Basin Ski Patrol. He is an active member of the American Society of Range Management.
Mrs. Lodzinski is the former Cecilia Silionis, formerly of Adrian, Ore., and Boise. They have one daughter, Mary Teresa, 7.

CONCERT HELD AT HAGERMAN
HAGERMAN — The 1966 spring concert was presented at Prince Memorial Gymnasium Tuesday evening, by the music department of the Hagerman High School. The direction of Mrs. Bill Snapp.
Alan Palmer announced the program. The band played four selections: Linda Young played a clarinet solo and D. Brown played a piano solo. The high school chorus sang accompanied by Mrs. Snapp and Miss Bunny Brown.
Alan Palmer played a saxophone solo, Sharon Brown and Evelyn Boyer each sang solos. Bryan Berry was clarinet soloist.
Roy Britton played a trumpet and Pat Russell and Britton played a trumpet duet, accompanied by Hanna Akers, Billie Jo Lemmon and Hanna Akers each sang solos.
Linda Mull played a saxophone solo and Coletta Lloyd sang.
At the close of the concert gifts were presented to Mrs. Snapp from the chorus and band members.

HEARING SLATED ON BUHL BUDGET
BUHL — A public hearing on the proposed budget for the 1966-67 fiscal year for Buhl School District No. 412 will be held at 8 p.m. Monday in the superintendent's office of the Buhl High School.
The budget is for \$781,187 which is higher by some \$1,599 than last year's figure of \$779,588. However, the mill levy remains the same at 38 mills. This includes 30 mills for general school purposes and 8 mills for bond interest and redemption.
The assessed valuation remains the same as last year at \$9,490,644.

Bill to Enlist Cab Drivers in War on Crime
WASHINGTON (AP) — Rep. Richard C. White, D-Tex., has introduced a resolution designed to enlist the nation's taxicab drivers and dispatchers in the war on crime.
The measure would ask the President to consider calling upon the taxi fleets to report suspicious incidents and infractions of the law to local police.

5 Selected
IDAHO STATE UNIVERSITY, Pocatello — Five Magic Valley students have been selected to serve on student body committees at ISU.
Members of the public relations committee will be Pamela Harris, Buhl, and Rita Oakley, Ed. Nelson, District, and David Thompson, Hagerman. Doris Betts, Twin Falls, is a member of the evaluation and awards committee.

SEEKS RE-ELECTION
MOUNTAIN HOME (AP) — Sen. Harold Collett, Democrat who represented Elmore County in the Senate in the 1965 Legislature, said Thursday he is a candidate for re-election. He is running for the Senate in Legislative District 19.

RESIGNS
BOISE (AP) — Del Klauw, public information director for the Idaho Highway Department for nine years, announced his resignation Thursday. He said he will become campaign director for State Sen. James A. McClure of Payette, a republican candidate for Congress in Idaho's First District.

KILLED IN WRECK
STITES, Idaho (AP) — A California man is Idaho's 65th traffic victim of the year. Last year at this time 69 persons had died of traffic injuries.
Kenneth Curtis, 31, of Stites, was killed when his pickup truck rolled over a embankment near here Tuesday. He was a resident of Stites.
State Police said Gibson died after being thrown from his truck as it rolled down a steep grade on West Ridge Road. Gibson was believed to have been visiting relatives in the Stites area.

BUHL Chamber To Initiate Tourist Plan
BUHL — The annual "Tourist of the Week" program sponsored by the Buhl Chamber of Commerce will begin May 23 and continue through the summer season. It was announced during the chamber's weekly luncheon meeting in the R and R Cafe.
Under this program a passing tourist car is stopped and the occupants are given a tour of the chamber's luncheon meeting and then are taken on a scenic tour of points of interest in the Buhl area. In the past this has been an interesting and beneficial project, reported Warren Saunders, tourist-of-the-week chairman.
Kenneth Curtis reported Buhl highway commissioners will meet Wednesday with four consulting engineers relating to the construction of the new Clear Lake bridge. He also reported on a recent meeting he attended in Filer relative to reconstruction of U.S. Highway 30 between Buhl and Filer.
John M. Barker, president, called the board's attention to the new national legislation that would take the nation as a whole on the daylight savings plan. This will not affect Buhl in 1966 but starting in the last Sunday in April, 1967, the entire nation will be on this plan. This may be come a more or less political issue at election time, he pointed out. He urged people to discuss the good and bad points of the plan.

Gets Sentence
ELKO, Nev. (AP) — Antonio Felix, the gun-wielding shopkeeper accused of blocking traffic on U.S. 40 near Wendover Monday, was sentenced Tuesday to 10 days in the county jail.
Justice of the Peace Edward Lunford sentenced Felix, 56, on a charge of assault with a deadly weapon.
A his driver, stopped to investigate, but then drove away, Harris said.

Lions Club At Kimberly Elects Aides
KIMBERLY — Edward Thompson of Persons Market was elected president of the Kimberly Lions Club at a meeting Wednesday noon at the Town House.
Russell C. (Bud) Larsen spoke on duties of county commissioner, a post he previously held. The speaker was introduced by George Plew, vice president.
Other officers elected include Plew, vice president; Robert Walker, vice president; Gerwin Woodland, secretary-treasurer; Lee Lucich, mail twister; Lowell Thomas, lion tamer.
Directors are Gene Widmer, Holland Houburg and Robert Skinner. Holdover director is V. Robert Ridgway and Cecil V. Macav is retiring president.
The new officers will assume office July 1. C. E. (Eddy) Bosard, district governor, and Hugh Coates, treasurer of the Twin Falls club, were guests.

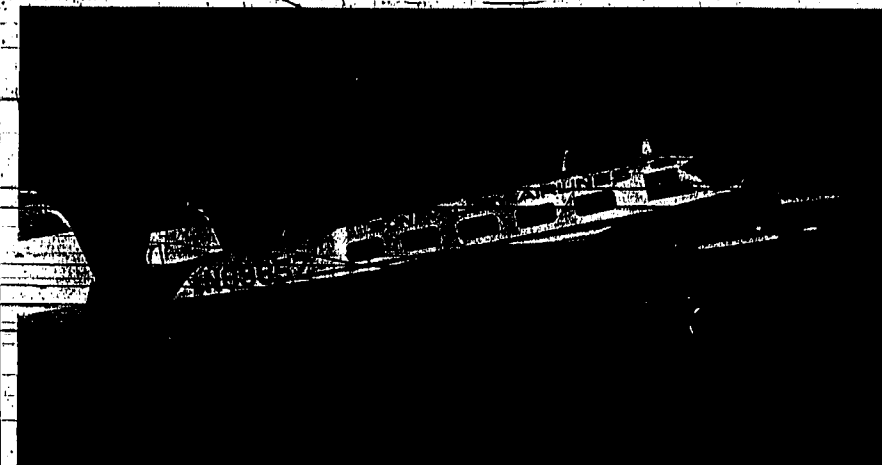

Doctor Pay Hike Averts Strike
LONDON (AP) — A raise ranging up to one-third of their incomes for doctors and dentists in Britain's national health service apparently have averted a strike. But they may endanger the Labor government's campaign to hold wage hikes for others to 3 1/2 per cent.
The highest pay hikes went to general practitioners, whose average incomes will climb to \$11,000. Hospital physicians and dentists got 13 1/2 per cent, with most of the money going to young doctors who now make only \$2,200 a year.

Court Dismisses Indictment
WASHINGTON (AP) — An indictment against Gus Hall, chief spokesman for the U.S. Communist party, has been dismissed by a federal court at the Justice Department's request.
Hall's trial, frequently postponed, had been scheduled for next Monday. The indictment was returned four years ago and accused Hall of violating the 1950 Internal Security Act by failing to register with the attorney general on behalf of the party after the party itself had failed to register.

Gooding Airline Planning To Expand Daily Schedule

GOODING — Daily flights on a two-day basis will be provided five Idaho communities by facilities of Sun Valley Airline. If air travelers of these communities will support the move, it is announced by D. J. Wilkins, president.
Wilkins said that the communities would be Boise, Twin Falls, Burley, Pocatello, and Idaho Falls with a morning flight one-way and a late afternoon or early evening flight returning.
News media and the Chambers of Commerce in each community are being advised of current plans and the schedule would be set up for a mid-August start if replies are favorable.
"Sun Valley Airlines will extend scheduled commuter flights to the cities named if the demand is present," Wilkins said. "The role of the communities would be to support it."

"All our passenger service is on a reservation basis. Our equipment features modern four to 11 passenger airplanes. We will also offer air freight and express service at the same time."
Right now the Sun Valley Airline offers daily commuter flights to Salt Lake City and the addition of the new route would be the first step in an expansion program which is extended to see service to North Idaho in the not too far distant future.
Wilkins said that tentative schedules for the new Boise-Idaho Falls service are now being drawn and will be announced upon completion of passenger and flight route studies.
"The new flights will service only those cities needing additional air service and are capable of providing passenger and freight service," he said.
"For this reason we are asking publicity aid through news media and also seeking the Chambers of Commerce in the cities named to give us their opinion as to whether such a schedule would be supported."

The line now touches the communities of Gooding, Hailley (Sun Valley), Twin Falls, Burley and Salt Lake City on the present route on a daily basis and a special flight from Gooding to Hailley (Sun Valley) Boise and return on Saturdays and Sundays.

Goldwater Takes Poke At Fulbright
WASHINGTON (AP) — Barry Goldwater accused Sen. J. W. Fulbright, D-Ark., today of copying criticism "that lends aid and comfort to our enemies" in Viet Nam, and said Fulbright should resign as chairman of the Senate Foreign Relations Committee.
Goldwater said Fulbright "could do no greater service for his nation and the American fighting men in Viet Nam" than to resign his post as chairman of the Senate Foreign Relations Committee.
Goldwater, Republican presidential nominee two years ago, said he was ashamed of the Democratic venor "telling the American people that our power and our self-righteousness, and our moralism, and our immorality."

"No American has the right or the justification to level such charges against his country," Goldwater said. "And time goes double for doing it in a time of war and in a fashion that lends aid and comfort to our enemies. And I don't care whether the American is a misguided Viet-nik or chairman of the Senate Foreign Relations Committee."
Goldwater charged the administration is limiting the war in Viet Nam in an effort "to keep both the doves and the hawks happy until after the election."

Life Inmate To Be Put On Parole

BOISE (AP) — Idaho prison authorities said today a man sentenced to prison for life will be released on parole June 3. But they emphasized there has been no final release granted.

Saul Clark, secretary of the board of corrections and director of parole and probation, said Paul A. McHaffey, 37, who entered the prison Sept. 22, 1953, from Minidoka County, has been granted an indefinite parole.

His length will be determined by McHaffey's behavior, Clark said. He added that the "status of a final release has not been discussed. He will just be serving his time on the outside."

McHaffey was sentenced to life imprisonment on a robbery charge and Clark said he caused considerable trouble during the early years of his confinement. He was transferred to the McNeil Island Federal Prison in Washington for a time but was returned to the Idaho penitentiary about a year and a half ago.

Clark said most of the time since then McHaffey has been a trustee, assigned to farm work at the now-prison site about 10 miles south of Boise.

Voter League's Policy Explained

The local chapter of the League of Women Voters reports it has received several inquiries about participation by members whose families are engaged in political office.

"While not prohibiting participation, it is reported that the League's non-partisan policy prohibits members who have a family holding a political office from holding a position on local, state or national boards of the league."

The local chapter has recently accepted the resignation of two board members whose husbands are seeking election on party tickets.

Details Given for Buhl Sagebrush Days

Buhl — Detailed arrangements for the forthcoming Sagebrush Days celebration slated for July 1 through 4 under the sponsorship of the Buhl Jaycees are announced by John Lanni, general chairman.

Events on July 1 will begin with a ping-pong drop over the baseball park in Buhl. Some 1,000 balls will be dropped with almost all containing either discount or sale certificates redeemable at Buhl business establishments.

The ping-pong ball drop will serve as the kickoff for sidewalk sales in the downtown business district. Main Street will be completely roped off with implements, tractors, new and used cars featured on display. Singing groups will entertain.

On Saturday, July 2, activities will commence with another ping-pong drop and more sidewalk sales. A wide array of merchandise will be offered at low prices, according to Jerry Wray and Perry Hansen, co-chairmen for the event.

July 2 also will feature a Western Show put on by the Jaycees. The "James Gang" will be in action and the agenda will include a real life stage coach in the morning, a live fight, a training stable, and a parade.

Contestants in the parade will be judged on personality, horsemanship and general appearance. Those interested in seeking the title are urged to contact Dave Monroe, phone 543-5333.

Day-long festivities will conclude with a dance and crowning of the Sagebrush Days queen. Some of the best bands in the valley are being employed for the dance, according to Jan Schell and Jack Fields, co-chairmen.

There will be no activity Sunday morning, July 3, as everyone is urged to exercise his freedom of religion and attend the church of his choice.

Activities will commence with a parade at 2 p.m. on the main street and colorful three-mile

parade with some \$500 in cash youngsters and games will be prizes and trophies to be awarded. The parade will be conducted at 2:30 p.m. in the direction of Milton Evans.

Climaxing the four-day celebration will be a spectacular fireworks display at 9 p.m. at the local football field.

Three weeks prior to the celebration the city of Buhl will be decked out with sagebrush decorations lining the business district. Beard grower contests which advertise the Sagebrush Days and serve as a novelty for the community will be awarded. Trophies will be awarded for the best beard, seven barrel, for sale at 50 cents. These can be obtained from the Jaycees of Tom Adler at Sullivan's Music Store. Beard shaving permits will be obtained for \$1.50, and a free watermelon feed for \$1.50.

CRESWELL, Mrs. (AP) — She has met the president of South Korea and attended a state reception in honor of President Johnson, but America's 1968 Mother-of-the-Year doesn't own a pair of white gloves.

Mrs. Mary Holt, 61, describes herself as a farm woman who doesn't need a lot of fancy clothes, yet her activities have taken her to Latin America, Asia and across the United States.

"I get around quite a bit for an old lady with 14 children," she says.

Mrs. Holt was named America's Mother of the Year on Wednesday night in Washington. She already is Oregon's Mother of the Year.

She is a widow who has helped 3,500 Korean orphans find homes in the United States.

In 1953, Mrs. Holt and her husband, who died in 1964, started an adoption program by enment and an accompanying citation from the late Korean President Syngman Rhee.

Mrs. Holt's role in the project has been a quieter but equally vital one.

She received her nursing degree from the University of Oregon and her husband is only one of her many skills.

In 1956 she wrote a book, "The Seed from the East," in which she told the story of the first two years of the adoption service and the Korean orphanage run by Holt.

She even has directed and edited a movie illustrating the operation of the Korean orphanage.

Her 23-year-old daughter, Suzanne, and five other fulltime employees handle the bulk of office work for the agency.

Dorothy Miller, 41, is a preliminary nurse in Korea working with orphans.

bringing eight Asian children into their farm home.

— From then until his death, Holt spent more than half his time in Korea. He and his wife, Jane, who was born in England, in the Willamette valley, raising a second family, running a mushrooming adoption service, and working as a one-woman public relations agency for the program.

— "I think we're the same after Harry arrived with our first little ones," she said. "At first we had five in diapers at once. Our 'first family' was a great deal of help."

The Holts spent most of their lives supporting the "baby" operation—and the orphanage which today has 36 buildings and houses 557 children.

Holt once was called a "slave trader" by the South Korean government and fought a bitter battle with social workers, U.S. immigration laws and adoption procedures.

Yet, awards include the Medal of Culture — the highest honor — or the Republic of Korea bestow upon him for his devotion and selflessly. He was honored in 1964, the Public Welfare Service Medal from the Korean gov-

BOISE (AP) — Two more trustees walked away from the Idaho Penitentiary today, increasing to seven the number who are at large.

Prison authorities identified the two as Fred McCormack, 41, received at the prison Sept. 13, 1963, from Bingham County to serve a 10-year sentence for forgery, and Cmelres Davidson, 21, received Nov. 2, 1965, from Cassia County to serve a 14-year sentence for forgery.

McCormack was a cook and Davidson a guard in the guards' quarters. Both were released at 5:15 a.m. from their dormitory to begin their day's work. A half hour later they had disappeared.

U.S. Encounters Trouble Obscuring Facts of War in Laos, Cambodia

WASHINGTON (AP) — The war in Viet Nam has been spilling over into Laos and Cambodia and the United States is encountering more difficulty in obscuring the fact.

Two unusual official disclosures in the last three days have thrown fresh light on the involvement in combat actions of territories in both Laos and Cambodia.

In Washington, the Defense Department reported for the first time on casualties in air operations over Laos. The reports showed that in the past two years 11 U.S. flyers have been killed there and somewhat fewer than 20 others have been listed as missing or captured by Communist forces.

And in Saigon, a U.S. spokesman confirmed accounts from news correspondents on the scene that last Saturday American artillery fired across a boundary river into Cambodian jungles to silence enemy guns when U.S. troops ran into heavy fire from Viet Cong forces on the Cambodian side.

Washington authorities asserted that in the prolonged operations over Laos and in the brief clash across the Cambodian border, the Communists were responsible for initial violations of territory outside Viet Nam and that the U.S. fire was defensive.

Officials in Washington denied that this week's unusual disclosures resulted from any policy decision to signal a new and broader phase of warfare in Southeast Asia. Basic U.S. policy, they said, is still to keep the conflict confined to Viet Nam but Communist actions sometimes force counteractions outside that country.

Where such actions do occur the practice of the State and Defense departments has been to say nothing about them if possible and otherwise to make minimum disclosure. The justification offered for this practice is that sensitive relations with other governments are involved.

As the Viet Nam war grows in intensity, however, it is now recognized here that the policy of silence may never will be more difficult to maintain.

In the current case of the report of casualties suffered over Laos, officials said the Defense Department had received queries about a week ago concerning notification given to a family of a lost flyer. The family reportedly was informed that the loss had occurred over Laos.

When Pentagon officials looked into the matter, it was said, they found that the identification of Laos as the scene of combat operations had been given in notices sent to a number of families and they therefore decided that since this information had been given to the public, it would be better to tell the whole story.

Small Structure Burns at Hailey

HAILEY — A small wooden building, about 10 by 12 feet, located behind the Brooks building on Main Street, next to the Hailey city hall, was destroyed by fire about 10:30 p.m. Tuesday.

Firemen said the structure, which had been fixed up for play house, by sons of Bill Brooks, was on close to the other buildings they were kept busy wetting down the roofs to keep the blaze from spreading. A cable off the fire truck was used to pull the structure away so it would be further away from the other buildings. Mrs. Brooks said they had intended moving the structure onto lots in back of their house. The fire may have been caused by faulty wiring, she added.

Army Readies 100,000 War Replacements

WASHINGTON (AP) — The Army is preparing to provide more than 100,000 replacements for Viet Nam this summer and fall.

The other services also face the replacement problem, but to a lesser degree than the Army, which has pumped the greatest number of troops by far into Viet Nam since the buildup began last July.

Gen. Earle G. Wheeler, chairman of the Joint Chiefs of Staff, even though a stretchout would be required to relieve the manpower squeeze, told Congress in recent testimony that "the big of the services in the United States and elsewhere."

Westmoreland was pictured as believing the hope of being sent home after a year in the war is a major factor in high U.S. troop morale in Viet Nam.

In outlining the sources of replacements for Army troops in Viet Nam, Wheeler said some of the men that are training at various camps around the country will be part of this replacement group.

"Some will be people who have returned from Europe," he said. "Some will be people who are taken from other stations such as Panama and Alaska."

Sixth District Official Visits Rebekah Lodges

WENDELL — Mrs. Boyd Harrison, Fairfield, Occident Rebekah Lodge No. 88, district deputy president of the sixth district, made her official visit to Idaho Rebekah Lodge No. 88, Valley Stockham Sr., noble grand, introduced and welcomed Mrs. Harrison, and presented her a gift from the lodge. Other distinguished guests introduced include Mrs. Nora Reedy, Fairfield, noble grand of Occident Lodge, and Mrs. J. J. Davis, noble grand of Wendell 100F Lodge No. 131.

Communications were read from Eden Lodge concerning its 50th Anniversary to be observed at 8 p.m. May 12. An invitation was read from Fairfield for a 6:30 p.m. salad bar June 9 for the official meeting honoring Mrs. Eva Hay, assembly president.

An invitation was read from the Gooding LDS Stake Relief Society to attend the jubilee of Mrs. W. H. Niccum, a 50th birthday celebration, and a luncheon from 10 a.m. to 4 p.m. Saturday at the Jerome LDS Cultural Hall.

Tentative plans were made to assist the Upperman Rebekah Lodge with the annual international program June 21 at Hagerman.

It was announced that the May Guest Day scheduled for May 18, sponsored by the Rebekah Club, will be postponed until May 25.

Action was taken to purchase plants for the long tables. Appointed to the committee were Mrs. Lancaster, Mrs. Arthur Byce and Mrs. E. E. Parr.

A Mother's Day program was presented under the direction of Mrs. W. H. Niccum. A Mother's Day poem and an article were read by Mrs. Roy Bishop and Mrs. Jack Goeckner was soloist.

Potted plants were presented to Mrs. B. M. Atkinson for being the oldest mother present and to Mrs. Ronald Conrad, for the youngest mother.

Hits were Glen Bright, Raymond Lancaster, Morrell McClelland, Walter Stockham, Raymond Saffa, Harold Bown, Elmer Jordan and Joseph Sellers.

Demonstration Club Convenes

DECILO — The Cheerful Doors Home Demonstration Club met at the home of Mrs. Fred Norbert, with Mrs. Jack Funk as co-hostess.

Mrs. Donald Knopp, president, conducted the meeting with various club projects discussed. It was decided that the club will donate to the 4-H camp fund. A cooked food and candy sale will be held from 11 a.m. to 3 p.m. Saturday at the Overland Shopping Center.

Mrs. Calvin Merrill, assisted by Mrs. Funk, presented "Pattern Alteration" and demonstrated the correct way of altering for a particular figure problem. "By selecting the right size pattern, according to the proper body measurements, the problem of altering is greatly reduced," she stated.

The next meeting is at the home of Mrs. Richard Kerbs, with Mrs. E. D. Herbert as co-hostess.

SALE SEATED — The Jay-C-Ettes are taking orders and selling wreaths for Memorial Day. They may be ordered from Mrs. Ed Christensen, Mrs. Dulin Hubbs or Mrs. Clarence Magoffin. There will be free delivery for all orders.

Beta Sigma Phi Unit Members Hear Reports

BURLEY — Xi Omega Chapter, Beta Sigma Phi, met at the home of Mrs. LaPage Layton, with Mrs. William Sugg as co-hostess. Reports for forthcoming activities were heard.

Chapter members presented a slide-railway-of-clothes which were purchased during last regular meeting.

Information was read on Quadri-State Convention set for June 3, 4 and 5, at Boise. Six members and Mrs. Ella Harrie, Omega Chapter honorary member, are planning to attend. Plans for the Founder's Day Dinner-Dance at Rupert, Idaho, were outlined by Mrs. Sherrill Warner, social chairman. Hundreds of members will be special guests.

It was reported that a luncheon will be held at 1:30 p.m. Saturday at Ponderosa Inn in honor of the five women eligible for exemplar degree.

It was announced a joint Mother's Day Breakfast will be held May 15 at Ponderosa Inn, hosted by Xi Omega Chapter and Alpha-Zeta Chapter.

Exemplar degree ritual will be held May 20 at the home of Mrs. John Glenn, followed by the installation. The group will then travel to the Driftless, Rupert, for dinner.

Another day of painting is set for Tuesday as a way and means project. Chapter members will paint the Albion Telephone Co. buildings at Albion, Idaho.

The program was presented on "Stimulants to Thought," a roundtable discussion led by Mrs. Layton and Mrs. Cleo Cheney.

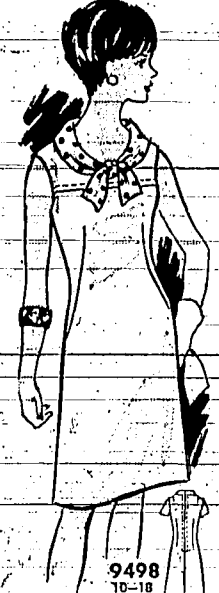

Club Convenes

CHESHONE — Couples Club met at the home of Mr. and Mrs. Joe Pagona after dinner at a local cafe.

Guests were Mr. and Mrs. William Mabbitt.

Prizes were won by Mr. and Mrs. Joe Berriochia, Mr. and Mrs. E. D. Strass and Mr. and Mrs. Mabbitt.

Three Idaho Women's Clubs Receive Awards

BOISE — Three women's clubs in Idaho have won national awards totaling \$1,000 for their efforts in providing scholarships to help local students continue their educations.

The Idaho Twin Women's Club won the \$500 top award for the year with the Rexburg Civic Improvement Club winning a \$300 award and the Twentieth Century Club, Twin Falls, receiving a \$200 award. The Rexburg club won second place in 1965 and the Twin Falls group won \$500 in 1963.

The awards are among 150 presented nationwide in 1966 through the General Federation of Women's Clubs — Shell Oil.

Three awards are made in each state from a \$20,000 grant by Shell Oil, according to Mrs. F. D. Welterow, Sandpoint, president of the Idaho Federation of Women's Clubs. The awards were made in Boise by Darrell M. Easterly, Shell Oil Co. representative.

Two sisters from Twin Falls meant double effort for members of the Twentieth Century Club this past year, according to Mrs. LaVeri Strong, youth projects chairman.

The two sisters, both of whom plan to be nurses, were presented with \$200 scholarships each by the women's club to assist in completing a nursing course at Idaho State University.

The club enlisted additional financial support from the Idaho Lodge and the Twin Falls and Professional Club, and a local jeweler presented the girls wrist watches suitable for nursing work.

The GFWC-Shell Oil awards program is now in its fourth year. Any club in the GFWC conducting a program to assist students in furthering their education is eligible to enter, Mrs. Welterow said.

Judging this year's entries were Elaine Papenfuss of Ricks College English Department, and Lawrence H. Rice, chairman of the English Department of Idaho State University.

Mrs. D. Whipple Gives Lesson For Deaf Unit

BOISE — The most flattering color and style of dress for each member of the Thrifty Thriver's Home Demonstration Club was selected by the group when Mrs. Don Whipple presented the lesson, "Pattern Alteration," at the home of Mrs. Earl Darrington.

A discussion was held on sponsoring the Skl Club's picture in the Declo High School annual.

Mrs. Darrington, secretary, reported on the recent candy sales.

Garth James, guest speaker, will talk on "Family Communication" at a county-wide meeting May 22. Housewives will be special guests at this meeting.

Secret pal gifts were presented to Mrs. Lawrence Thompson and Mrs. Glen Bywater.

The next meeting is at the home of Mrs. Nellie Stevenson, with Mrs. Norman Smyers as co-hostess. Antiquing furniture is the lesson scheduled.

Special guests were Ann Joan Coltrin, Cassia County home extension agent, and Mrs. Everett Pardew.

Mrs. Loos Is Welcomed as New Member

BUHL — Mrs. Lloyd Loos was welcomed as a new member of Buhl Rebekah-Kensington when the club held its regular luncheon meeting at the 1002 Hall, hosted by Mrs. Lee Shiver and Mrs. C. W. Bearns.

Mrs. Loos was presented a membership book by Mrs. A. G. Biswell, Shoshone, president. The afternoon's discussion revolved around favorite flowers. It was noted Mrs. John Goodhue had returned home from Tacoma and was recovering satisfactorily from eye surgery.

Report of cards sent and calls made on 11 members included 24 cards, 25 nursing home and hospital calls and 15 home calls. Mrs. E. A. Owens reported gifts have been sent to Mrs. Goodhue and Mrs. William Chambers. Mrs. Harry Stewart expressed appreciation to the group for cards, gifts and other courtesies extended her during her recent illness.

The social hour included games, with prizes going to Mrs. Ellis Woodruff, Mrs. Billah Hardwick and Margaret Ann Swartz, pinocchle winners, and Mrs. Basile Gilmore, Mrs. Pearl McCormick and Mrs. Roy Lively, whoopee winners. Spring flowers decorated the quartet tables.

The next meeting is Tuesday, with Mrs. Gilmore and Mrs. George Bartak to host the 2 p.m. dessert luncheon.

The twin-fabric half slip that keeps skirts positively wrinkle free

skirt saver

by Beverly Vogue

If you do much sitting at a desk, or even through PTA meetings, you undoubtedly have your share of wrinkle problems. But not when you wear the fabulous Skirt Saver.

This little miracle half slip has a front section of nylon tulle which won't ride up, and a back of rigid, non-stretching nylon taffeta which prevents sagging or wrinkling behind. Handsomely tailored, it is fitted to the waist and has a Zephyr zipper side fastening. Trim is beautiful nylon-Ban-Lon lace with front and back crisscrossed knot pleat.

Black, white, beige. Short, average, tall lengths. Waist sizes: 22 to 34. (Size 22 in short and average lengths only) Price: \$8.00

Johnson Says Arrogance Is In Kitchen

WASHINGTON (AP) — President Johnson, in a humorous reply to Sen. J. W. Fulbright, says if there's any arrogance of power in the White House it's in the kitchen.

At a White House diplomatic reception Wednesday night, the smiling President pulled from a pocket of his dinner jacket a penciled note he said he received from his long-time family cook, Zephyr Wright.

He told Fulbright he had analyzed the senator's speech warning the country to guard against arrogance of power. To prove his point, the President read the note.

"Mr. President," it said, "you have been my boss for a number of years and you always tell me you want to 'loose' (sic) weight and yet you never do much to help yourself. Now I am going to be your boss for a change. Eat what I put in front of you and don't ask for any more and don't complain."

Johnson said the note shows there is no need to worry about arrogance in the White House. "Nobody is likely to get too big for his britches while he gets much like this," he said.

Johnson said he had read the same note Wednesday to another of his Viet Nam policy critics, Sen. Wayne Morse, D-Ore., as they flew to Detroit for the funeral of Sen. Pat McNamara, D-Mich.

Fulbright, chairman of the Senate Foreign Relations Committee and a vigorous critic of administration Viet Nam policy, was among the guests at the reception.

Violin Solo Presented for Lions Club

In honor of National Music Week, Mrs. Robert Denton, also Kimberly, presented a violin solo during the Wednesday meeting of the Twin Falls Lions Club in the Rogerson Hotel Roundup Room.

Mrs. Gibbs was accompanied on the piano by Mrs. Robert Denton, also Kimberly. Guests included Fred Clubb, Jerome Lions Club; Cub Lion Don Keith, Twin Falls; Ray Wilson and Lester Saunders, both Hazelton Lions Club members; and Clayton Rudd, Twin Falls.

Vice chairman Levear Thorbeck announced the five, Inc. sale will be held May 9, 10 and 11. The sale had originally been planned in April but was postponed.

Duplicate Bridge Results Reported

During masterpoint play at the Duplicate Bridge Club meeting Monday evening, Mr. and Mrs. R. G. Sass won first place.

Other winners are Dr. and Mrs. H. E. Burgess, second; M. H. Harvill, third; and Mrs. J. C. McMillan and Mrs. H. Miller-Proctor, fourth. The meeting was held at the American Legion Hall.

Shepherd Does Part to Slow up Life

JIJUSBORNE CRAWLEY, England (AP) — Every two weeks 75-year-old Bill Francis drives his herd of 400 sheep down the main highway between his two farms during the morning rush hour.

The sheep take 90 minutes to cover the mile and a quarter between the farms. Traffic backs up. Drivers honk and fume.

Francis says it's his contribution to slowing life down a bit. The rest of the time cars rush by his house at 70 miles an hour.

To protesting motorists, police said a man has every right to drive sheep on the public highway. Bill's wife, Mary, commented:

"The public is a damned nuisance."

3 Area Students To Serve Jordan

WASHINGTON, D. C. — Three college students from Idaho have been chosen as summer interns in the Washington office of Senator Len Jordan.

Today Jordan announced the selection of Rosemary Barker of Dulhi, James T. Jones of Eden and James K. Pharris of Jerome as staff assistants for this summer.

The internship program is designed to give students a first-hand exposure to the operations of the legislative branch of government through providing temporary employment in Congressional offices.

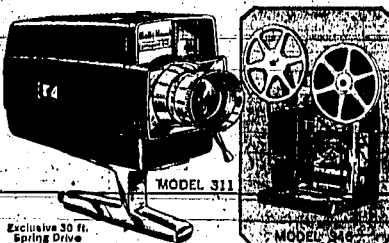

Miss Barker will join Jordan's staff on completion of her sophomore year at the University of Washington. Jones presently is studying law at Northwestern University and is a 1964 graduate from the University of Oregon. Pharris is a student at Columbia University now in his second year there.

T.F., Minico to Vie for District Track Crown; Wendell Is Class B Pick

Wendell is the odds-on favorite in the Class B division of Friday night's track and field championships but twin falls and Minico coaches are working overtime to find the extra point that could decide the A championship. The meet continues in its night format with the Class B field events beginning at 4 p.m. at the Twin Falls stadium while the Class A field and running preliminaries will start at 5:30 p.m. The finals in the running events will begin about 6:30 p.m. Twin Falls is shooting for a ninth straight fourth district title but the Bruins will have to overcome Minico, Moonville, Brin coach Jerry Kleinok and Minico's mentor Dick Warburton are playing chess.

"My trouble is I don't have enough pawns," smiles Warburton. What Warburton and Minico do have, however, is senior Greg Schell who is favored to win the three event dash. The 110 yard dash is the big favorite for Mike Schell in the big favorite in the high jump and Bailey will be battling Twin Falls' Russ Shoen for the mile crown. The Spartans also have Jim Whittier who is worth points in both hurdles. T.F. coach Art Decker, who should pick up the shotput and possibly the discus crown.

Twin Falls will be depending a lot on second and third places in the sprints. Sophomore Scott Cryder should win the pole vault over Brower of Minico and Jerome's Leon Blaisick. T.F. coach Art Decker, who should pick up the shotput and possibly the discus crown.

The pivotal races for the Spartans could be in the hurdles where Whittier must try to break up a strong Twin Falls line. The 400 yard dash should win both events but Whittier could blunt that by holding Dick Johnson, in the high, out of second. Minico also could use help from Jerome's Slater, who won the SCIC low hurdle title last week.

On the other side, Twin Falls will have to come up in the field events. The Bruins don't figure to do much in the high jump or discus. With Decker all but a clinch in the shotput, Gill, Spencer and Jay Ulrich will have to get a jump point there.

"Gooding will have any in the mile," says Ron Adamsen who will be contesting Schell in the century and 440 yard dash. If Adamsen can win the 440, Twin Falls will benefit. However, Adamsen figures to hurt Twin Falls in points in both should Schell win the mile.

Perhaps the features of the night will come in the middle distances. The 880 yard run figures to be good with Bill, Bu, bak, Jerome, Gooding, fresh Dennis Baugh and Brian senior Alan Wubker all having 2:05 to 2:10 chances. The 1500 yard race will be Sheen and Bailey and the record should go. That would prove interesting since Terry Dadds set the mark last year, eclipsing one that had stood since 1937. It's a modest 4:41.6.

Gooding appears the best in the 880 yard relay with Twin Falls in the 40 yarder. The medley, with the good halfmilers in the open, is up for grabs and the mile relay should find Twin Falls and Durley battling.

Adding pressure to Warburton and Kleinok in trying to decipher that mess is they must also remember that only for top three men or relay advance to the regionals next week. In trying for individual points the coaches must also try to keep relays strong enough to qualify for advancement and subsequent bolstering.

With Wendell riding high on four wins and strength right down the individual line, the Class B field, which already has dropped several men through sub-district eliminations, will be vying more for regional advancement.

A crackjack is lined up in the hurdles with Dan Peterson, Wendell; Jon Goodman, Declo; Lance Aravo, Gooding State; Jim Denton, Kimberly; Nolen Carter, Castelford, and a couple others ready to cut each other's competitive throats. Added to this bunch is Outley, a precocious Hagerman frosh who could get points in the low.

Wendell's Larry Hay looks like the best in the 100 yard dash while teammate Murray Mull will fight. Fought, Shoshone, on top and Gabert, Olenna Ferry, second. Gooding State's Larry Johnson is again unopposed in the two mile but Joe Cooper, Murrough, could give him a little more company than usual.

In the field events defending state champion Mike Matthews will win the pole vault unless he breaks a leg. Bay looms longest in the broad jump, being a consistent 20 footer. The high jump is up for grabs and Shoshone's Fred Trenkle ought to pick up victories in the shot put and discus.

Meet director Merl Eden, Twin Falls, noted this was a district track meet and a student or booster tickets will be accepted.

Dugger, Fulton Are Muny Golf Champs

Doyle Dugger and Bob Fulton Jr. whipped up a four under par best ball score to defeat Sherm Williams and Jim Duffie 2 and 1 and claim the Twin Falls Municipal spring best ball golf championship. Bob Wildman and Oren Fisher took consolation honors with a 4 and 3 decision over Don Lowman and Dr. William Jones.

First night honors went to Don Hutolings and Glenn Vandenberg on a 3 and 2 win over Dick LaBorg and George Williams. Jack Newell and Jim Wiloy stopped Charles Brown and Jim Hollenbeck 2 up in the consolation fight.

In the second night, Was Gardner and Gary Rone topped W. B. Miesher and Cliff Saunders 3 and 2 while Bob Moldenhauer and Gary Fridmore earned the consolation crown by whipping Dale Smith and Ted Fate 4 and 3.

George Merritt and Dick Gibson won the third night by beating Dave Marrs and Cor Visser 2 and 1. Consolation honors went to Blaine Sessions and Robert Sieber, who topped Bill Routh and George Swartz 3 and 2.

The next association sponsored affair will be a 36-hole medal play championship, conducted over the Memorial Day weekend.

T.F. Legion Slates Baseball Invitational

A round robin baseball invitational, featuring some of the top American Legion junior baseball talent in the Northwest, will be played at Jayco's Park June 10 through 12, announced Twin Falls Legion team Business Manager Ken Brown. Brown said Billings, Mont., a perennial performer in regional and national tournament; Hillsboro, Ore., a Portland suburb team rated one of the favorites in that state's tournament; and Lake City, will join the Twin Falls club.

Mets' Hurler Blanks Cards On One-Hitter

ST. LOUIS (AP) — Jack Hamilton pitched a one-hitter and Ron Swoboda and Eddie Bressoud hammered home runs as the New York Mets blanked the St. Louis Cardinals 8-0 Wednesday night.

Cardinal starter Ray Sadecki managed the only Cardinal hit when he dumpped a two-out bunt down the third-base line in the third inning and beat Ken Boyer's throw. Lou Brock followed with a walk but Hamilton struck out Alex Johnson, ending the inning.

St. Louis got only two balls out of the infield against the veteran right-hander who struck out six and walked one. He retired the last 19 batters in a row.

Bressoud, who had three hits, opened the game with a single and after Jim Hickman walked with two out, Swoboda walked his homer.

Striking New Salads for Summer

Use cross cuts (rafts) of lettuce for "Open-Faced Salads."

Ruffled Salamit Salad

Mix 3/4 cup real mayonnaise with 3 tablespoons chopped pimiento and 1 1/2 tablespoons EACH chopped parsley and sweet pickle. Place 4 rafts western iceberg lettuce on salad plates; spread tops with mayonnaise mixture. For each raft, fold 4 slices salamit into halves, then into quarters; place, center-folds together, in center of raft. Garnish with parsley sprigs and flecks of chopped pimiento. Makes 4 servings.

Summer Mood Seafood

Rinse and drain 1 can (4 1/2 or 5 oz.) small deveined shrimp; combine with 1/2 cup corn oil, 3 tablespoons lemon juice, 1/4 cup ripe olive rings and 1/2 teaspoon minced garlic. Chill. Place 4 rafts western iceberg lettuce on salad plates. Cut 4 small tomatoes part-way through from top to bottom; spread each to form 4 petals. Place on lettuce rafts and spoon shrimp mixture, including marinade, over all. Makes 4 servings.

Glazed Vegetable Galaxy

Heat 1 envelope plain gelatin with 1 1/2 cups water, stirring until dissolved. Mix in 1 tablespoon chicken stock base, 1/4 teaspoon white pepper and few dashes salt; chill until slightly thickened. Meanwhile, place 4 rafts western iceberg lettuce on tray. Sprinkle with salt and pepper; top each with 3 cooked fresh asparagus spears and few slices scored cucumber and cooked carrot. Spoon gelatin glaze over all; chill. Serve with corn oil and vinegar dressing or real mayonnaise. Makes 4 servings.

Birds 'n' Bees Cheese

Place 4 rafts western iceberg lettuce on individual salad plates. Mix 1 pint large-curd creamed cottage cheese with 1/2 cup cubed Cheddar or American cheese; spoon or scoop into centers of rafts. Mash 6 hard-cooked egg yolks; blend with 3/4 cup chilled real mayonnaise. Spoon into pastry bag with medium-size star tube; pipe around base of cheese mound. Garnish with sliced radishes and radish roses. Makes 4 servings.

Strawberry Blonde Beauty

Place 4 rafts western iceberg lettuce on individual salad plates. Drain 4 canned cling peach halves and place cup-sides up in center of rafts. Mix 1/2 cup real mayonnaise with 1 teaspoon grated lime rind; dollop into peach cups. Garnish with sliced and whole fresh strawberries and twisted lime slices. Makes 4 servings.

A Salad's Best Friends -- Lettuce, Mayonnaise, Oil

Just as dress styles change and automobiles take on new features from year to year, so do fashions in food — if we want to stay out of a culinary rut! In this day and age, no one with even the slightest interest in food sticks exclusively to tried-and-true favorites.

Consider salads, for example. There is certainly nothing wrong with a simple lettuce and tomato salad drizzled with oil and vinegar dressing or dolloped with mayonnaise. It has ingredients basic to the best in the art of salad-making. But who would serve this classic salad day in and day out?

Assuredly not the homemaker whose eye catches "Striking New Salads For Summer."

Here again the fundamental ingredients are western iceberg lettuce and real mayonnaise or corn oil. But how they are dressed up! Now is the time of year when salads really come into their own. Warm weather equates with refreshing salads. However, markets are never bare of crisp, crunchy western iceberg no matter what the season; it's the most readily available and most popular of all salad greens. And Mazola corn oil and real mayonnaise are virtually staples in any well stocked kitchen, their uses being myriad every day in American homes.

Pick-Your-Picks Salad

Core, rinse and drain 1 head western iceberg lettuce. Rinse and drain but do not core second head. Chill both in plastic bag or saran. At salad-time spear any or all of these combinations onto bamboo picks: Cherry tomatoes and shrimp; green pepper diamonds, sardines, rolled anchovies and cocktail onions; bottled ham cubes, Swiss cheese wedges and pitted ripe olives; bacon

curls, mandarin orange segments and cream cheese balls rolled in minced parsley. Press uncored head of lettuce firmly into pin-type flower holder; fasten securely to small plate or wooden board with florists' clay. Stick picks into head. Cut remaining head crisp lettuce into bite-size chunks. Let guests "pick-their-picks" to eat with lettuce chunks and preferred dressing.

Pink Mayonnaise Dressing

Mix 1/2 cup real mayonnaise with 3 tablespoons currant jelly, beaten smooth, 3 teaspoons red wine vinegar, 1/4 teaspoon salt, few dashes white pepper and few drops red and yellow food colors. Chill. Makes 3/4 cup.

Kaleidoscope Dressing

Sauté 1/4 cup finely chopped onion and 1 minced clove garlic in 1/2 cup corn oil until tender but not browned. Add 3 tablespoons white vinegar, 1 tablespoon chopped pimiento, 2 teaspoons drained capers, 1/2 teaspoon salt and 1/8 teaspoon seasoned paprika. Chill. Makes 3/4 cup.

Orange-Parmesan Dressing

Mix 1/2 cup real mayonnaise with 1/4 cup grated Parmesan cheese, 1/2 teaspoon grated orange rind, 3 tablespoons orange juice and 1/2 teaspoon EACH thyme and minced fresh or freeze-dried chives. Chill. Makes 3/4 cup.

"Pick-Your-Picks" are enjoyed with choice of dressings and garnishes. "PICK-YOUR-PICKS SALAD"

Cuthbert C. Callen Dies At Age of 84

MURTAUGH—A retired Murtaugh farmer, Cuthbert C. Callen, 84, died Tuesday morning at the Hazel Dell Manor.

Mr. Callen was born March 31, 1882, in Berryville, Ark. He married Lydia Walters in Arkansas June 21, 1908. They moved to the Murtaugh area in 1912.

Surviving, besides his widow, are three daughters, Mrs. Ron James and Mrs. Glenn Schaefer, both Twin Falls, and Mrs. Ronald (O) Davis, Quincy, Wash.; one sister, Mrs. Cuba Stevens, Pueblo, Colo.; eight grandchildren and two great-grandchildren.

He was preceded in death by one son and one grandson.

Funeral services will be conducted at 4 p.m. Friday in White Mortuary—Chapel with Rev. Robert McNeil officiating. Friends may call at the mortuary Thursday and until 3 p.m. Friday.

Final rites will be held at Sunset Memorial Park.

Man Finds Silver Coins In House Wall

LOVELL, Wyo. (AP) — A 30-year-old man, Ferrell Mangus, struck silver — silver dollars, anyway — recently while remodeling an old home he had bought for rental property.

Mangus said the walls of the old house hid about \$1,000 in silver dollars and other assorted coins.

He said the coins were dated mostly between 1921 and 1923. He found them when he tore out a partition in the kitchen.

Mangus said the old home was moved from Kane to Lovell 18 years ago by a shepherd, known as George Fleisher, who died about ten years ago.

He said it is assumed that the money was plastered in the walls by Fleisher, who was known to be frugal.

Mangus said he has consulted a lawyer and has been assured the money is legally his.

He said he hasn't found any rare coins in the collection.

Big Weekend Is Seen for Food Stores

NEW YORK (AP) — It looks like a bright Mother's Day weekend in the nation's food stores.

Supplies of many fresh vegetables and fruits have increased.

Best of all, beef, pork and egg prices are creeping down.

Prices of sliced bacon, cured hams and fresh pork butts are down as much as 4 cents a pound on the West Coast, and choice grade steer rounds, loins, ribs and chuck are headed down.

Eggs are down 1 to 10 cents a dozen. They may drop further the next month or so, but they are likely to go up later this summer.

Poultry prices have been higher than a year ago—about 4 cents a pound for fryers.

Many stores already are featuring specials on turkeys.

Fair weather in the Corn Belt cut the number of pigs moving to market this week, raising packers' prices. Pork supplies are down 2 to 4 per cent from last spring, but much better than they were last winter. Retail prices may edge up this summer, but barring an unexpected spurt in demand—such as an escalation of the war in Viet Nam—they are not likely to be as high as they were in January.

Potatoes, which were comparatively expensive last summer, should be much cheaper. Sweet corn, celery, carrots, cabbage, artichokes, cucumbers, greens, lettuce, onions, squash, sweet potatoes and tomatoes are moving to market in increased numbers.

The vegetable harvest in Florida has been stepped up with warm, dry weather. That should cut family food bills even more in the weeks ahead.

Demonstrations Slated by Club

SHOSHONE — The Wagon Wheels 4-H Club will meet at the home of leaders, Mr. and Mrs. Dean Barnby, on May 12. Mrs. Corwin Silva is the knitting leader.

Members will give demonstrations at the May 12 meeting on subjects pertaining to their projects. BARBARA HORN is a new member.

New officers were elected for the Wood River-Liverock 4-H Club at the DeAnn Stutzman, president; Rudy Wilcox, vice president; Laurene Tows, secretary; Barbara Horn, reporter; and Denise Stutzman, treasurer.

The group will meet at 7:30 p.m. May 24 at the Wood River Grange Hall. Laurene Tows and Heather Tows will be hostesses. Mr. and Mrs. Clifford Stutzman are club leaders.

Public May View Unique AEC Reactor

A nuclear reactor that makes more fuel than it consumes and was dedicated only last September by the chairman of the Joint Congressional Committee on Atomic Energy will be on display to the public Saturday and Sunday.

The occasion is the U. S. Atomic Energy Commission's open-house at the National Reactor Testing Station near Idaho Falls. The reactor is the Experimental Breeder Reactor-II (EBR-II), one of the six nuclear facilities that will be open to the general public.

Currently in operation, the EBR-II complex consists of the reactor and a unique connecting plant which takes the highly radioactive fuel from the reactor and reprocesses it by remote means for reuse.

Both EBR-I and the fuel cycle facility (FCF) are owned by the AEC and were designed, built, and are operated by Argonne National Laboratory, a research arm of the University of Chicago under contract to the AEC.

Initially, EBR-II is operating with uranium-235 as fuel. This form of the element comprises only about seven-tenths of one percent of uranium as found in nature. Natural uranium (U-238) becomes useful as fuel, however, after it is enriched in plutonium in a reactor.

EBR-II accomplishes this "breeding" of plutonium while it is producing power by surrounding the U-235 fuel in the reactor core with a "blanket" of U-238. Neutrons released in the

NUCLEAR REACTOR is one which will be on display Saturday and Sunday at the National Reactor Testing Station near

power-producing reaction strike the atoms of U-238 and eventually convert them to plutonium—an excellent fuel for reactors. EBR-II uses liquid metal sodium, 80,000 gallons of it in the

Arco. This particular reactor, Experimental Breeder Reactor-II, was dedicated only last September. (AEC photo)

The breeding concept is important in enabling the U. S. to extend the use of its natural uranium resources. While operating as a power plant, EBR-II is also serving as a test reactor to investigate prospective fuels and structural materials for use in much larger, advanced central station

power plants that will be required to fill the nation's future energy needs. Admittance to EBR-II is free, but tickets are required; these are available from Chambers of Commerce or from the USAEC, P.O. Box 2105, Idaho Falls. The phone number is 522-0610, extension 1317.

YOUR BIRTHDAY and HOROSCOPE

THURSDAY, May 5—Born today, you are one of those gregarious souls who needs to be surrounded by people in order to be completely happy. Life on a desert island is definitely not for you, for isolation is against your nature. It should go without saying, therefore, that the type of career you should choose should be one that brings you into daily contact with others both on a business or professional basis and on a friendly, social level.

In spite of your need for close association with other people, however, you have a strangely stubborn streak in your nature which sometimes makes the smooth running of such associations difficult. Though dependent upon the physical presence of and company of others, you are an independent thinker and like having your opinions accepted by others. In fact, if your views are not the prevailing ones, you are quite likely to go off in a huff, leaving those you've left behind to wonder which side of your nature is the real one.

The factor of your quality probably lies in the fact that, for all your gregariousness, you are not basically an emotional person. You are a free soul and feel the greatest responsibility toward yourself and toward others. You need other people, but your need is based more on the desire for an audience than on true emotional attachment. Only take care that you don't make the former too obvious.

To find what is in store for you tomorrow, select your birthday and read the corresponding paragraph. Let your birthday star be your daily guide.

Friday, May 6
TAURUS (April 21-May 21)—Gain increased advantages through the continuance of yesterday's business activities.

GEMINI (May 22-June 21)—Clear the decks of business and professional matters; you'll want all the time you can gain for an active week end.

CANCER (June 22-July 23)—Group gatherings are especially favored today and more especially should they have to do with children.

LEO (July 24-Aug. 23)—Best to support your intuitions with a bit of practical research in the facts and figures of the situation before making any decisions.

VIRGO (Aug. 24-Sept. 23)—Take your lead for today's activities from the success or failure of yesterday's. By no means continue down an old road.

LIBRA (Sept. 24-Oct. 23)—Begin tapering off the week's work early in the day. Take a fresh, imaginative approach to an old problem.

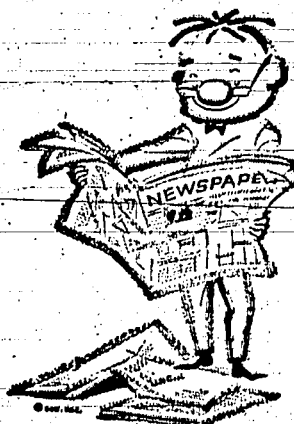

SCORPIO (Oct. 24-Nov. 23)—Business dealings with those you have hitherto avoided may bring benefits at this time. Rebuild some old fences.

7 Candidates Have Filed In Jerome

JEROME — Seven candidates had filed petitions of candidacy with the Jerome county clerk by Wednesday morning.

Dr. Lauren M. Neher, Republican, has filed for county coroner. Carl C. Stephens, Democrat, incumbent county treasurer, seeks the nomination for reelection.

Mrs. Ella McVey, Republican, has filed for nomination for reelection as Jerome county auditor, a post she has held for several years.

Dale Burkhalter, Republican, a newcomer to Jerome politics, seeks the nomination for county assessor. Fred Burke, the incumbent, has indicated he will not seek reelection.

Russell C. Shaud, Republican incumbent for probate judge, was also among the early candidates to file.

Legislative candidates for District 22 include Earl Greenwalt, Jerome mayor, who seeks the GOP nomination for state senator in the newly created three-county district.

Filing Wednesday morning was Ralph E. Peters, Republican, who seeks nomination for the post of state representative in sub-district D in District 22. Peters ran for representative on the Democratic ticket four years ago. He is president of the Jerome Abstract and Title Co.

Shoshone Youth Elected to Post

SHOSHONE — At the Rocky Mountain Collegiate Press Association held at Flagstaff, Ariz., over the weekend, Conrad Thorne, son of M. and Mrs. Harrell Thorne, Shoshone, was elected 1966-67 Utah chairman.

As such he will represent newspapers, yearbooks and magazines editors of the Utah colleges and universities.

Thorne was also a co-editor for the 1965 yearbook, the Rixida, Ricks college, Rexburg. The Rixida received first place for Division II college books.

Thorne and Lea Newland, San Diego, Calif., edited the book last year and Thorne took and developed many of the pictures used.

To Lend Money

KARACHI, Pakistan (AP) — The United States will lend Pakistan \$65 million under two agreements signed here Wednesday.

A loan of \$50 million will enable Pakistan to import basic commodities like fertilizers and non-ferrous metals.

THIS PARIS-BOUND TRIO, from left, Mrs. Colette Johnson, 72; Mrs. Edith MacBeane, 78, and Mrs. Clara Hicks, 82, skip with joy in Chicago Tuesday after learning they had been chosen for an all-expense trip to Paris, France. The trip will be paid for by the Little Brothers of Notre Dame, an organization of young men who dedicate their lives to comforting the poor and old. All three women live alone on a small Social Security income. (AP wirephoto)

Cattle History Is Club Topic

KING HILL — An illustrated talk on the "History of Cattle," was given by Terry Parish when the Pasadena Livestock 4-H Club members met at the Martin Woodward home Monday night.

Mrs. Lea Trail, leader, gave instructions on record books, and each member reported on his 4-H stock.

The next meeting will be held at the home of Vaughn McKeeth. Refreshments were served by Gloria Woodward.

Soldiers Hope Dog Pals Receive Awards

BEIN—HQA—Vot—Nam—she jumps out?"
(NEA) — If Private Mortimer Reed is awarded a Combat Infantryman's Badge in the next few months it may be indication the military is going to the dogs.

"Mort is a wire-haired terrier. On the other paw, if Pfc. Buford L. Monkey is, as expected, promoted to Spec. 4 soon, it could mean the Army is being taken over by a bunch of apes. You guessed it, Monkey's a monkey.

Mortimer and Buford are members of the 173rd Airborne Infantry and except for the fact they both have fleas, they're not so much different from the run-of-the-war soldiers here.

Buford, for example, likes to beat the heat of Southeast Asia with a bourbon on the rocks or a beer in the bunk.

Says owner Charles Roeder of Mullen, Neb.: "She simply drinks like hell."

"But," someone inquired, "doesn't it make her sick?"

"Naw, just drunk now and then."

"And you still condone it?"

"If she doesn't question my drinking and I don't her's."

Although the monkey has a masculine moniker, Roeder refers to Buford as a shemiale. He explains this contradiction as an original error never corrected by subsequent facts.

But he, she or it, Buford, one of the boys. She sleeps, eats and slips with the troops and on occasion even jumps with them from airplanes.

"We call her the parachuting primate," Roeder says.

"But isn't she frightened in a plane?"

"Yeah, her eyes get big as dollars."

"And what does she do when

she falls, naturally, like everybody else."

Julius Roeder's remarkable anthropoid, Pvt. Mort-Reed has never been pushed out of a plane. The shaggy, homely-looking pooch leans more to chasing Viet Cong on combat patrols.

Mort's owner, Supply Sgt. Frank Reed of Akron, Ohio, claims the pup has seen more front line action than John Wayne.

Says Reed: "He's always going out to the war."

"And what's he do when the shooting starts?"

"He runs like the devil."

"Which way?"

"Whichever way the bullets ain't coming from."

Death Toll Told

CHICAGO (AP) — The nation's traffic death toll totaled a record 10,710 during the first three months this year, the National Safety Council said Wednesday.

The toll was up 7 per cent from the first quarter of 1965, when 9,980 deaths were reported.
